

WLLA Curriculum

Each West Linn Leadership Academy meeting will be comprised of three key elements:

1. Social time
2. Keynote speaker
3. West Linn-specific lesson

During the social time, WLLA participants will spend time as a cohort, getting to know each other and spending time together. Then, the keynote speaker will provide some leadership on the evening's topic from a broader perspective. Lastly, West Linn-specific information related to the evening's topic will be presented and discussed.

The below calendar will be updated as keynote speakers are finalized:

January:
